

**STUDENT ATTESTATION**  
**S&P Restrictions of Use by Authorized Student Users**  
IHS Global, Inc. (formerly, an IHS Markit company) is now a S&P Global Company

Authorized Users participating in the Texas Center for Data Analytics and Geostatistics (the "Program") at The University of Texas at Austin ("University") will be granted access to the S&P data. The data/software will be accessed through the n/a application to support data science research ("the Purpose").

Data Provided: \_\_\_\_\_ ("S&P Data")  
Software Provided: \_\_\_\_\_ ("S&P Software")

By signature hereto, Authorized User agrees:

- I. to hold all S&P Data/Software delivered hereunder in the strictest confidence without prior written consent from S&P to the contrary;
- II. to not publicly publish, reproduce, divulge, disseminate or convey to any other party IHS Data/Software, in whole or in part, in any manner or format, nor to authorize or permit any use by any other party without prior written consent from S&P;
- III. to use the S&P Data/Software exclusively for the Purposes on behalf of and during the time of the Program and for no other use.

ACKNOWLEDGED:
